Pump Oil on February 18

The 205 mile pipe line of the Producers Transportation Co. running through the California oil fields to Port Harford will be completed on February 15.

This pipe line passes almost along the easterly line of the oil fields of the TEMPLOR RANCH OIL CO. and this company will commence to deliver its entire daily product direct to the pipe line. This will mean the early payment of dividends, and I expect the company will soon be able to pay at the rate of one cent a share monthly. It has also been planned to list the stock on the San Francisco Oil Exchange shortly after the company commences the delivery of oil. This will undoubtedly cause the stock to advance to probably \$50 per share, or better. I have secured and offer a small block of the stock at 30c per share. I unhesitatingly recommend the purchase of these shares as an investment that should double and quadruple in value. Bear in mind that the investor who reaps the largest profits is the one who invests when the price is low. Compare the stock of the TEMPLOR RANCH OIL CO. with every oil stock on the market today, and you will surely invest in the shares of this company. Do not delay, but send in your order NOW.

A lady lost a gold watch and it was found by a motorman in Wai-
kiki. The lady advertised her loss
in all the papers. The day following,
the watch was returned to the Bul-
letin office. A Bulletin classified
ad was the medium that helped
to restore the watch to its rightful
owner. Bulletin classified ads
always help, and they only cost one
cent a word.

SUSPECTED JEWEL
THIEF ARRESTED

Joe Bothelo Will Be
Charged With
Larceny

Joe Bothelo, who has been held for
investigation at the police station with
regard to the jewelry which was lost
by Mrs. Koster over a year ago, was
released this morning, but was at
once arrested and will be charged
with larceny of a sum of money from a
Chinese.

It is thought that Bothelo will come
through with a statement about the
jewelry which he is alleged to have
found and disposed of. His sister was
examined and she states that she
does not know what became of the
jewelry.

"Monkey," the convict who first in-
formed Chief McBride of the fact that
Bothelo had found a handbag over a
year ago, still sticks to his story
of having helped Bothelo to bury the
jewelry in the latter's garden.

GOLDEN WEDDING
TO BE CELEBRATED

Mr. and Mrs. Alexander Young
had the pleasure yesterday of wel-
coming to their home at Wailiki a
large contingent of their family re-
sident in California, to make a visit
with them and to be present at the
celebration of their golden wedding,
March 6.

The party arrived yesterday by
the Siberia and includes Mrs. Theo.
P. Dredge and two daughters, Miss
Beatrice and Miss Gladys Dredge;
Mrs. J. L. Howard, Mrs. Thos. Reid
McNab, Miss McNab, Mrs. Sullivan.
On February 14 the Manchuria will
bring Theo. P. Dredge, Dr. J. L.
Howard, Dr. Thos. Reid McNab.

Mr. and Mrs. Alexander Young will
then have a house party of fourteen
to cheer them and take part in the
golden wedding festivities.

Mr. and Mrs. Alexander Young
were married in London, Eng., nearly
fifty years ago. The anniversary
of their golden wedding will be cele-
brated on March 6, 1910. No plans
have as yet been made in regard to
this event, but preparations will be
made shortly to celebrate the occa-
sion in fitting style. At present it
is expected to celebrate the event in
their private residence and not in
the reception or ball-room of the
Young Hotel.

ARCHITECTS WILL
COMPETE FOR PLANS

The competition for the plans for
the new Y. M. C. A. building open to-
day. Several local architects will
compete and cables are expected from
well-known mainland architects. It
will be definitely known this evening
who some of the competitors are.

This competition will be open until
April 1st, when the building commit-
tee of the Y. M. C. A. will decide
which plan is most adapted for their
new building.

A large supply of stationery has
been placed at the disposal of the men
of the Pacific Fleet now in Honolulu
so that any bluejacket who cares to
may make use of the Association
rooms to write to his friends.

Arrangements are being made by
Paul Super, secretary of the Honolu-
lu Y. M. C. A., to conduct a series of
religious meetings on board the visit-
ing cruisers. These will be held on
board the various vessels next Sun-
day. The local Y. M. C. A. has always
been active in this respect and that
the men have appreciated their ef-
forts in the past is evident from the
large number of men who attend
these meetings.
